Other Business

Motion to participate in Country Fair carried

Set-up: February 2nd at 1500 at the circle

Will need volunteers to man booth and bring airplanes Saturday & Sunday

Hours have not been received yet but last year it was 0900 to 1600.

Volunteers signed up for morning or afternoon shift

Save your old "Modeling Books" and catalogues to hand out to visitors

Bank Account:

Authorized signers for the Wauchula Bank will be:

Larry Kaufmann

Ray Chadwick

Gary Souder

Jon Draper

Training Beginner Flyers:

Geena has a nitro aircraft that she is making available for training purposes

Terry has an electric aircraft that he will use to teach new pilots

Since Hurricane Irma took our frequency pin board, if you are flying 72KHZ, check to make sure there aren't any other flyers on your frequency. A poll of meeting attendees yielded only two or three Club members still using 72.

We had 27 Club members at the meeting and one guest. Larry introduced new Member David Wilson. We gave our guest an application form and look forward to welcoming him at a future meeting as a new Member

Thanks to Larry Gerlock for the use of his shop, it's a great place to meet!

NEXT MEETING JANUARY 27TH AT THE FIELD 1000 HOURS

Respectively Submitted:

Jon Draper Secretary/Treasurer
